The U.S.

The geopolitical geometry of great-power competition in the Asia-Pacific will not be triangular. It is known that China, Kyrgyzstan and Uzbekistan have discussed the construction of a railway line through Kyrgyzstan since the late 1990s. The first 25 containers of electrical products were transported by train from Lanzhou to Kashgar, where they were loaded onto trucks to cross the border with Kyrgyzstan at the Irkeshtam checkpoint.

Do Russia and China Have Coordinated Strategies Towards Central Asia? — Valdai Club

As follows from the joint statement of the six ministers, from now on, such meetings will become regular.

Russia's Neutrality and Pragmatism Amid The US

A View from the Russian Far East 203 Tamara Troyakova 9. Although Russia prefers remaining neutral amid the US-China rivalry, Moscow will not miss opportunities to enhance Russia-China cooperation, notably in energy, agriculture, and high-technology sectors. It is striking that the NSC established a cell to counter Chinese propaganda but not one to coordinate with allies on the response to the virus, as was done in the Bush and Obama NSCs under similar circumstances.

Rapprochement or Rivalry?

Its military establishment, like any other, has to plan and prepare for worst-case contingencies, which in this case would be principally a large-scale conventional conflict with China, the United States, Japan, or a U.
