Applicants are expected to justify their programs and projects, by describing the burden of the problem, the need for the proposed research or program activity, and the potential for impact or likelihood of success. Also, capital gains income is not subject to self-employment taxes as is ordinary income. Others have individual occupational requirements that specify that applicants must, in general, 1 have specific course work that meets the requirements for a major in a particular field s , or 2 have at least 24 semester hours of course work in the field s identified.

PAR

All evaluation efforts, from specific project or program evaluation activities to center-wide evaluation, should be initiated and managed within this core.

Appendix E

Awardees must comply with any funding restrictions as described in Section IV. An evergreen tree that is more than 6 years of age when it is severed from its roots and sold is considered by the Internal Revenue Service Code to be timber with sales treated as capital gains income loss.

Appendix

Translation Plan The translation of evidence-based approaches into workplace practice through educational, outreach, and other adoption-focused efforts is of utmost importance in this work sector.
