Chapter 08

Once you upgrade the software, the notification is gone. Or maybe, thinking back on a new restaurant you tried recently, you realize you chose it because its commercials play happy music classical conditioning. Read: If a barefoot person walks onto this hot pavement, he might get some serious burn after one minute of skin contact.

Conditioning and instrumental learning : a program for self

Following this logic, experiments using stimulus-control methods have tested how well animals see colors, hear ultrasounds, and detect magnetic fields. Secondary tasks were chosen based on real-life demands.

Pembelajaran Online : Momentum Disruptivitas Teknologi dalam Pendidikan Tinggi

. And, as we discussed while considering the reinforcer devaluation effect, once R — O is learned, the organism will be ready to perform the response if the outcome is desired or valued.

Chapter 08

Tentu saja ide di atas bukanlah satu-satunya cara agar kampus tetap relevan seiring perkembangan zaman namun bencana Covid-19 ini bisa menjadi momentum agar kampus dapat mengubah diri agar tidak hancur tertabrak ombak perubahan.
