## Book

Bogen er fyldt med spændende og jordnære historier, som tilsammen danner et billede af en ny banebrydende måde at forstå og praktisere lederskab på, hvor spiritualitet og rationalitet går hånd i hånd i ledelse såvel som i livet. University of Michigan Institute for Social Research, pp.

## TECHNO

But, this does not mean that we should shy away from being servant-leaders or directly raising spiritual issues at work, as has traditionally been the case in the workplace. Furthermore, because selfless service is more a way of being than a set of particular behaviors, it necessitates cultivating our inner attitude, awareness, and character on an on-going basis, until this way of being becomes second nature for us. As can be seen in the table on the following page, the model addresses the spiritual, personal, relational, and communal dimensions of service at work.

## Book

Sustained competitive advantage is increasingly based on innovation, which in turn is driven in large part by investments in different forms of knowledge-based capital KBC.

## Reawakening the Spirit in Work: The Power of Dharmic Management

The Shadow King: The Invisible Force That Holds Women Back. Block, Peter 1993 , Stewardship: Choosing Service Over Self-Interest. Furthermore, in addition to providing examples of ways in which some leaders are serving at work, the author also addresses some implications that this model has for leaders.
