## 25 Moral Dilemmas

If you remain silent and he betrays you, you will serve 3 years in prison b If you betray the other member, and he betrays you too, you both serve 2 years in prison c If you and the other member both remain silent, you both only serve one year in prison. But we can distinguish multi-person dilemmas from single agent ones.

## From 101 Creative Writing Exercises: Moral Dilemmas

An argument for keeping the baby: To abort a child with Downs is to kill a future person who likely can live a decent life. In the Deep South in the 1930s, this was scandalous, due to pervasive racism.

## What are some examples of morals?

The damage occurs as levels of moral residue increase as described below. We shall return to the issue of whether it is possible to preclude genuine moral dilemmas. The armed officer accompanying the dog is beginning to look more stern with every sniff the dog takes and looks directly at you and asks you to open to the bag.

## Ethical Dilemmas

. The Dilemma of Us and Them — Brian has the perfect summer job, thanks to his dad.

## Ethical Dilemmas Archive

The action she selects is to speak firmly and calmly to the resident with whom she has collaborated in the past in the care of critically ill patients. In these cases, proponents of the argument for dilemmas from moral residue must claim that four things are true: 1 when the agents acts, she experiences remorse or guilt; 2 that she experiences these emotions is appropriate and called for; 3 had the agent acted on the other of the conflicting requirements, she would also have experienced remorse or guilt; and 4 in the latter case these emotions would have been equally appropriate and called for McConnell 1996, pp.

## **Ethical Dilemmas Archive**

He demands a small child be given to him so that he can perform hideous scientific experiments on it, causing the child unimaginable pain. Would your decision be different if it were your boss padding his or her expense account? Although this same cognitive component is not part of regret, the negative feeling is. I would think that I would go insane with that world changing decision resting on my shoulders.
