## Manifest Destiny In History of America

New York : Houghton Mifflin, 1997. Chairman, that we were placed here for a wise and glorious purpose — to restore poor, downtrodden humanity to its long last dignity, to overthrow despots, and shed abroad a genial influence of freedoms, to break the bonds of the oppressed and bid captives go free, to liberate, to elevate, and to restore... by the sword and the spirit of the genius of our institutions.

## Manifest Destiny

Southern Democrats hoped the acquired island would become another slave state, and that future acquisitions would negate northerners' efforts to prevent the spread of slavery.

## Manifest Destiny: From Political Concept to Jefferson's Empire

See the for more details. This common view held from the extension of the colonies westward in the 19th century through the period of American imperialism.

## Manifest Destiny: A Study of Nationalist Expansionism in American History by Albert K. Weinberg

Manifest Destiny was the belief promoted by politicians such as that it was inevitable that the American people would create a nation from the to the. Digital Library Federation, December 2002. However, for the most part, the American public supported the war and the idea of Manifest Destiny itself.
