Sei Shōnagon Quotes (Author of The Pillow Book)

And she rescues a dog that the emperor a cat person exiled and then ordered beaten. Communication between friends, colleagues, and lovers often took place via notes sent by messenger and these notes were often written in poetry, so one needed to be able to read, interpret, and create poems full of flirtation and puns for attention and glory. At that moment a letter really seems like an elixir of life.

I remember a certain woman who was both attractive and good-natured and who furthermore had excellent hand-writing.

The Pillow Book of Sei Shonagon

Journal of the Royal Asiatic Society of Great Britain and Ireland Gives all sorts of insights into the court life of the times, and into the worldly character and mentality of its author. Real power was in the hands of a family of hereditary regents; the emperor's court had become nothing more than a place of intrigues and intellectual games. If I were not afraid that someone might see me I should rush up and strike him.
