Are Faith and Reason Compatible?

When scientists, following their intuition, set out in search of the logical and verifiable explanation of a phenomenon, they are confident from the first that they will find an answer, and they do not give up in the face of setbacks. Theology is described by St.

Fides et Ratio (Relationship between Faith and Reason)

It may very well be an excuse. Yet this is why, taking up what has been taught repeatedly by the Popes for several generations and reaffirmed by the Second Vatican Council itself, I wish to reaffirm strongly the conviction that the human being can come to a unified and organic vision of knowledge.

Faith and Reason by R.C. Sproul

I wish he would have used my new favorite argument.

Faith and Reason

But, if any one of the three is missing in an individual, then so is saving faith.

Christianity

This means that the human being—the one who seeks the truth—is also the one who lives by belief. The use of faith, by definition, is to go against these principles. I have a problem with faith, to be honest.

Christianity

In the past, then, the Magisterium has on different occasions and in different ways offered its discernment in philosophical matters.
