## Aces of the Luftwaffe

The Axis are sending their best into the Battle of Britain, and only a handful of brave pilots are left to destroy them. Prior to WWII, Luftwaffe underwent serious changes, disobeying the terms of the Treaty of Versailles that forbade Germany to develop an air force. It's fairly easy to begin with, but the challenge steadily increases as you progress without being too difficult - as long as you keep upgrading your skills, that is.

## Top 10 German Luftwaffe Aces Of WWII

They were in it for the duration-- for them it was either victory, or die trying. More than 300 of his flights included combat. The Luftwaffe had 103 pilots who shot down over 100 airplanes.

## Aces of the Luftwaffe

He was dubbed the ace-of-aces with 80 credited aerial victories.

## Buy Aces of the Luftwaffe

Again, this is a solid shooter and I've really come to like the controls and play mechanics. One interesting point to note: Allied pilots got to go home after a fixed number of combat missions.

## Freshman

Dodge bullets, collect massive power ups and wisely use special abilities as you defeat waves of enemies. JUMP INTO ACTION AND BECOME A FIGHTER ACE YOURSELF! When Europe seemed to be freed, a secret German commando called The Aces of the Luftwaffe took their chance to strike back and invade the USA! Otto Kittel was the highest-rated German fighter ace that died in combat, after being shot down by a Sturmovik gunner in February 1945.

## Aces of the Luftwaffe

Few jagdflieger survived the last days of the Reich.

### **Aces of the Luftwaffe Wiki**

During this period, he was credited with 8 more victories when he downed seven B-17 bombers and P-51 fighter aircraft. The Axis are sending their best into the Battle of Britain, and only a handful of brave pilots are left to destroy them.
