Bulbs 101

In the confined space of a planter, you can squeeze in extra bulbs by layering them. Your order is important to us, and we want you, our customer, to be completely satisfied. Generally, you plant two to three times as deep as the bulb is tall, but check the package instructions.

Michigan Bulb Company

They typically flower in the spring. See Helpful Hints below for more information on storing bulbs in the refrigerator. In harsh climates you may want to dig up and store tender bulbs over the winter months.

Planting Flower Bulbs In Containers

Luckily this infographic has everything you need to get started.

Bulbs for Florida

You can mask the foliage with companion plants.

Bulbs 101

See below for tips on overwintering containers. One of the most popular forms of growing your own plot is bulb gardening.
