Savannah Blue

I have to say that I enjoyed this second book more than the first. .

Mary Kay Andrews

Mary Kay Andrews

This is where the real story picks up with Bebe having to pick up the pieces of her shattered life and try to find to track down this thief. How Ms Andrews could find us the humor in the facts that a very smart woman loses everything she owns to a con man, makes for an amazingly talented writer. This is a great beach read and a winter read on the couch in front of the fire.
