Pakhandi (1984) Hindi Movie

But this, certainly, is most unfortunate to have met someone who, in the name of Maa, Divine, and Sadhna, manipulates simple minds. Its human to feel weak during challenging times. Well why not, Mahapurakh's are Akaal Roop, for example Sant Inderjeet Singh ji Raqbe waale, would you say they aren't Akaal Roop Imagine the Jap Tap Sajnam they would have in their names So yeah, there's many people out there who are Akaal Roop, they have become so with prema Bhagti I mean Akaal Roop as Guru Nanak Dev Ji's jot.

Pakhandi (1984) Hindi Movie

Slowly, I started to gather the scenes behind the curtain. If they drop some things and change a lil they'll be perfect imo. Guru Gobind Singh Ji chopped up the pathan who attacked them while pakhandi thakur was scared and couldn't do anything The situation is so different He did defend himself, so I don't see what's wrong, and then other people came ahead and took control of the attacker So it's still a defence It is talking about their followers as well Yeah most of their followers are good guys too They do Raag Kirtan and Parchaar, and lots of Naam Jap He was clearly scared lmao.

Pakhandi (1984)

Our simple minded rural folks are sure to get impressed with his well cloaked outer persona of a soft spoken, english speaking, rich, professional intellectual.

Thoughts on sodha of pakhandi babas? : KhalasSikhi

Well, I never lied You think they are calling themselves Satguru I don't know about the Thakur Dalip Singh faction But I do know about Baba Uday Singh ji, they never call themselves Satguru, and are full of Nimarta Their followers do call him that Also I believe you are logical enough to understand that their mukhis aren't the ones putting up the YouTube videos, like duh Why are you directing the attention to me for absolutely no reason Because you're the one calling them all sorts of names I'm not judging someone for not being a great Sikh rather a pakhandi who's high on ego and thinks he's Guru. Religion, already, is being used to make a fool of simple hearts.

Thoughts on sodha of pakhandi babas? : KhalasSikhi

The reports say he was severely injured from the axe his arm didn't protect him lmao. He was so tricky and such a smooth talker that he started to regularly send his followers for free treatment to my doctor husband.

Paakhandi (Fake) Guru @ os.me

If this can be said about pakhandis during Gurus time the same can be said of pakhandi namdhari babe. How was he, did you go in his heart and see? Even I didn't say if he was scared or not. He did defend himself tho. And then people came in front on their own like the Raagis, etc. I don't see how that's problematic, you're just making it, people themselves coming to defend someone is okay, in fact is a sign of manukhta if you go defend somebody. True Mahapurkhs don't lie and don't mislead people who believe in them by lying that they are Satguru.

Thoughts on sodha of pakhandi babas? : KhalasSikhi

It's certainly heart breaking to have come across a pakhandi, who uses emotions of pure hearts for his own Agenda. He tried his best to brain wash me to become a care taker of his centre.

Thoughts on sodha of pakhandi babas? : KhalasSikhi

Cause their brainwashed from a young age to believe their the guru and they the real guru they literally call themselves satguru you can see their YouTube channel they have satguru in front of their name. The situation is so different He did defend himself, so I don't see what's wrong, and then other people came ahead and took control of the attacker. So it's still a defence lmao if that's defence than I'm black.
