### Christ in Evolution

However, our ego desires to separate our false self from our unitive self. As new facts make themselves evident, it modifies the paradigm and as such it can affect conclusions drawn from earlier data sets.

### Christ in Evolution by Ilia Delio

It will flame out, like shining from shook foil;. Thus, all things are transformed in Christ since in his human nature he embraces something of every creature in himself when he is transfigured. He wants us to be able to see, ultimately, the entire universe as the shining Body of Christ.
