Mr. Norris Changes Trains by Christopher

All books described honestly and accurately. Lavish entertainment and outrageous gambling do nothing to alleviate his world-weariness, while his estates and tenants languish neglected.

New Directions Publishing

Norris is a man of contradictions; lavish but heavily in debt, excessively polite but sexually deviant. Slip cover is the original and is in great shape.

Mr Norris Changes Trains by Isherwood

This mood is reflected in the Christmas hit by The Pogues and Kirsty MacColl, which borrowed the book's title.

We provide fast and reliable shipping service. The John Banting wrapper artwork looks striking in the removable Brodart archival cover.
