The crisis of the Great Depression had brought into government a group of policy experts who argued that.

Democracy and sectarianism : a political and social history of Liverpool 1868

With women confined to the realm of the home, their responsibility to society lay in raising virtuous sons future citizens and dutiful daughters future mothers. The Dukeries coal field In the early twentieth century the economic and social base of the Dukeries was dramatically influenced by the development of a new coalfield there, the eastern extension of the existing coal industry. Marx was not the only writer advocating revolution as a response to the Industrial Revolution.
