Mosaics

In the miniature dome the traditional Pantokrator can be seen with twelve prophets beneath. The mosaic displays a variety of motifs including sea-creatures, birds, terrestrial beasts, fruits, flowers, trees and abstracts — designed to depict a terrestrial paradise of God's creation. Let the sealant dry between coats.

Mosaic

Excavated by Roman Ghirshman, ca. Such a natural representation of a seascape was known only from ancient works of art.

History of Mosaics

Close up of the bottom left corner of the picture above. From what we can tell, mosaics have been around for a very long time, perhaps as long as architecture itself. In the apse we can see the on a golden background.

Mosaics

The Dome of the Treasury, which stands in the mosque courtyard, is covered with fine mosaics, probably dating from 13th- or 14th-century restoration work.

Mosaic Art Supply

NGV , Mosaic is an art form which uses small pieces of materials placed together to create a unified whole.

How to Do Mosaics: 14 Steps (with Pictures)

Many materials other than traditional stone, ceramic tesserae, enameled and stained glass may be employed, including shells, beads, charms, chains, gears, coins, and pieces of costume jewelry.

Mosaic

The mosaic depicting Emperor Justinian and in the Basilica of San Vitale were executed shortly after the Byzantine conquest. The most important panel of the esonarthex depicts Theodore Metochites wearing a huge , offering the model of the church to Christ.
