We were talking about the brain of the U.

Selected Writings: Evidence of Leon Trotsky's Collaboration with Germany and Japan

By 1939, more Air Force officers were reinstated 867 than arrested 344. Both Krestinsky and Rosengoltz testified to that. At the first interrogations following his arrest on the night of May 13, 1937, Kork denied any involvement in anti-Soviet activities, but on May 16 his resistance was over-powered, and he signed two statements addressed to Yezhov.

Further Material on the Affair of Marshal Tukhachevsky

Stalin, working long, persistently and in sustained fashion, had made a subtle mosaic from the smallest of fragments. Cambridge, NY: Cambridge University Press, 1993, p. A third officer, Major-General Georgi Nicolaievich Zhilenkov, had been a political army commissar.
