The Last Dropout: Stop the Epidemic! 9781401919030

Most are living alone for the first time, carry part-time jobs, have of numerous social obligations and find it increasingly difficult to dedicate the time needed be effective in the classroom. Dropouts are costing us billions of dollars in lost wages and increased social supports. Mandatory school closures and other social distancing measures were associated with a 29% to 37% reduction in influenza transmission rates.

Why It Matters: The Pandemic Threat

It is based on an in-depth analysis of 1,776 schools served by CIS, a comparative analysis of outcomes from more than 1,200 CIS served and non-CIS served comparison schools, and comparative analysis of CIS served students and non-CIS served students alongside in-depth case studies of students.

James Carville says it's time to end Democratic primary after Joe Biden's wins over Bernie Sanders

It is at once a practical disaster for our economy, a human tragedy for the children and families concerned, and a justice issue that confronts every citizen. At least 520,000 students and their families may be affected by food insecurity as a result of school closures.

The Last Dropout: About the Book

The abrupt transition to remote learning has exposed a stark digital divide that prevents students without computers or reliable internet access from logging on. Most insurance plans cover opiate detox and treatment, and for individuals without insurance, there are low and no cost treatment facilities available. Similarly, the consequences of dropouts due to academic corporal punishment can last a lifetime.

Impact of the COVID

It has been estimated that the rate of reading ability gain in kindergarten children in the U. Yet 98 percent of CIS-tracked students stayed in school.

The Last Dropout

On 11 March, one student of was confirmed with the disease, leading one department to cancel classes for a single day, and it wasn't until 17 March that the whole university cancelled classes.

How To Stop The Coming Dropout Time Bomb — Creative Leadership Solutions

Even when school closures are temporary, it carries high social and economic costs.
