Government of Canada : definition of Government of Canada and synonyms

of Government of Canada (English)

As the stipulations of require that those who directly advise the monarch and governor general on how to exercise the be accountable to the elected , the day-to-day operation of government is guided only by a sub-group of the Privy Council made up of individuals who hold seats in parliament.

Home Page

The program is aimed at full-time secondary and postsecondary students.

Internships

The cabinet is made up of the federal ministers who are appointed by the prime minister ordinarily from members of his party in parliament. After a number of such sessions, each parliament comes to an end via dissolution.

Canada

In 1896, the Liberal Party took over and, under Sir Wilfrid Laurier, an eminent French Canadian, ruled until 1911.

Home

If the vote had passed, which was likely since two opposition parties joined to form a coalition, Liberal Party leader, Stephane Dion, would have become Prime Minister. The legislature at the provincial level can only pass laws that are reserved to them in the constitution such as the provincial officers, education, charitable institutions, and municipal governments. Westward toward the Pacific, most of British Columbia, the Yukon, and part of western Alberta are covered by parallel mountain ranges, including the Rockies.
