Top 50 Best New Zealand Wines 2020

The palate is succulent and silky with great structure.

America's New Zealand Wine Specialist

Always recommended with Asian dishes, also try this one with a rich pâté or spicy chicken buffalo wings.

New Zealand Wine

Layers of really spicy fruit and a rounded textural mouthfeel, topped with an engaging long finish.

New Zealand Wine Tours

Brimming with flavours of soft ripe tropical fruits, great balance, texture and a long finish. The flavour is fresh and lingering with a long dry juicy finish to the wine.

America's New Zealand Wine Specialist

This is normally the third grape in the Champagne trio along with Chardonnay and Pinot Noir. The impact will be about 92,000 tons short.

New Zealand Wine

The palate is creamy and generous, long lasting with balanced fruit flavour and acid. Ten years later he had more than 1000 vines producing fruit, and was locally selling the wines he produced in the winery at Monte Christo. Ripe peach, ginger and spicy floral notes with a hint of vanilla.

Central Otago

Rosé keeps rising is a style of wine, so it can be made from any grape variety as long as it ends up pink! The palate is soft with finely balanced

supple tannins and a rich lingering finish. Lower alcohol wines growing in popularity Wines with lower alcohol levels less than 10% by volume continue to grow in popularity driven largely by the wellness movement. From Marlborough, a cooler region, so showing attractive citrus characters of mandarin skin and grapefruit pith.
