## Ntrance Life

Tropy in N-Tranced, he is shown to have a treacherous side as during Nitro Kart, he led his own racing team as enemies of N. Trance's lower body is completely robotic, with his right hand been interchangeable with his claw that he uses for hypnotism.

## Ntrance Life

Trance immediately questioned how Aku Aku and Crash had found their lair, to which Aku Aku stated that time did not travel through the portal and that he had all the time he needed to locate their lair.

## N. Trance

He was originally intended to appear in Crash Twinsanity, but was dropped as Twinsanity takes place before N-Tranced chronologically when he first appeared. Tropy to aid him in Universal Domination. I've received certifications in Ingressive Mental health, Healthy Cognitive development from UNCC, in order to enhance my knowledge.

N

Putting their plan into action, N.

N

Crash and Fake Crash battle N. Resorting to his mental energy attacks, N. During his adventure, Crash battled Crunch in Saudi Arabia and Coco inside a volcano - managing to defeat them and freeing them of their mind control - with Crash and Aku Aku learning both about N.

## Ntrance Life

In regards to his personality, N. NTRANCELIFE LLC TAKES NO RESPONSIBILITY FOR ACTIONS TAKEN BY CLIENTS. The record was in popular demand, and after a third release of the song in 1995, the single became a huge hit, being played by television and radio stations,

reaching No.
