## Word from the Mother: Language and African Americans by Geneva Smitherman

However, her analysis of the role AAL has played in American culture and language could certainly provide a useful case study for international scholars interested in a comparative look at linguistic diversity and its social and political repercussions. Our terror, I knew, was shared by other black men who, because their disabilities included involuntary physical movements e.

**metrics.learnindialearn.in: Word from the Mother: Language and African Americans eBook: Smitherman, Geneva: Kindle Store**

This text would work well in a sociolinguistics class, or any introductory linguistics class in which language variety, dialects and linguistic diversity are discussed. Geneva Smitherman needs little introduction; she has produced seminal works on the history, development and structure of AAL African American Language. .

## Word from the Mother: Language and African Americans

. I am awed by its depth, comprehensiveness, and relevance.

## **Word from the Mother: Language and African Americans by Geneva Smitherman**

. Written by the hugely respected linguist, Geneva Smitherman, this book presents a definitive statement on African American English. Please use the of this article for citations.

### **Word from the mother : language and African Americans (Book, 2006) [metrics.learnindialearn.in]**

AAL comes out of the experience of U. A linguist, Smitherman notes that race does not determine language; rather, children acquire language from their communities 5. One way to do this is to incorporate Black culture and language into our curricula—bringing in hip hop culture as a subject of study.
