### **Introduction to the Book of Judges**

Ive been accused over and over of tearing the family apart and hurting my mom because I refuse to watch the violence, drugs, abuse. The more important judgment you don't mention is does that snarling dog, whether normally cute or nasty present a danger in this situation 1. A person who constantly bullies and abuses others, drinks too much and then gets behind the wheel of a car and kills somebody in a crash, or a drug addict who steals, robs and does other bad stuff to support his or her habit, or someone who constantly acts up and makes trouble, deserves to be judged and condemned by other people, because they act in unacceptable, anti-social ways.
