Plan Your Trip — Joshua Tree Visitors Guide

Even if you are a novice at rock climbing, there are routes with a variety of different levels of difficulty to climb, so there is something for people of all abilities. It is located at the begging of Keys View Road - near Park Blvd - east of Hidden Valley. Offers may be subject to change without notice.

Fees & Passes

Unfortunately, the petroglyphs were painted over with bright colors by a film crew back many years ago. Remind your children not to reach into rock crevice where these critters may be hiding. Many yucca plants grow right at eye-level for youngsters, making them even more dangerous if kids walk into them.

2021 Joshua Tree National Park Travel Guide • James Kaiser

Because the park is located away from unnatural light sources, the stars are crystal clear in the night sky on clear nights. Other fees, such as and fees, will still be charged on Free Entrance Days.

Plan Your Trip — Joshua Tree Visitors Guide

There are some dangers to be aware of - cactus and yucca plants are sharp, and there are poisonous snakes in the park.

Joshua Tree National Monument : a visitor's guide (Book, 1984) [metrics.learnindialearn.in]

It may sound obvious because of its name, but Joshua Tree National Park has the highest concentration of beautiful Joshua Trees in the United States. We've listed some of our favorite hikes, but we want you to be able to make those decisions for yourself. When there is water in the dam

Joshua Tree National Monument : a visitor's guide (Book, 1984) [metrics.learnindialearn.in]

In 1994 the Desert Protection Act upgraded Joshua Tree to national park status and added 234,000 acres to its holdings. If you are interested in

learning more, I have included some resources below that were written by people who know far more about climbing at Joshua Tree National Park than I do. This unique and interesting rock formation got its name because it looks a lot like a human skull.

Joshua Tree National Park Travel Guide

Parking is limited, so please be respectful if you get there when the parking area is full. So while Joshua Tree National Park may not be as familiar to you as some of the other national parks in the United States, I assure you that it is an absolutely stunning park that is worth your time to explore.

Joshua Tree National Park (U.S. National Park Service)

Pack a picnic for this one, and spend some time discovering the Mojave Desert.
