SUMMARY OF WESTERN CLASSICAL MUSIC HISTORY

The Golden Age During his 72 year reign, the Sun King transformed France into the most powerful nation in Europe and he did this not just by winning more land in battle or making alliances but by making Paris the cultural center of the continent. Gambling was also a favorite pastime during the reign of all three kings to rule over Versailles. The descriptive texts will not delve deeply into matters of musical meaning or technique; the purpose of the outline is to give you a basic working familiarity with different periods and styles.
