The provisions are well adapted to short term transactions such as repos or derivatives. In the present case, the clause is in simple form, the borrower representing that there has been no material adverse change in its financial condition since the date of the loan agreement. The reduced of the counter-party, combined with more credit being available to the collateral taker will mean the collateral taker can take additional risk without having to rely on a counter-party.

FDIC Law, Regulations, Related Acts

In most common law jurisdictions, a valid contract requires sufficient. This is, in part, due to the Potts Opinion which argued the legal distinctiveness of derivatives from and contracts. Thus the response to the issues at hand will go a long way in helping the standards of accountability which are requisites for organisations whose decisions can go a long way in either deteriorating or improving the situation in a pretty large part of the globe.
