Published by: Academy of American Franciscan History. If a diver failed to expel all the breath stored in his lungs before surfacing, they might rupture, causing him to suffer an agonizing death. These coins and bullion totaled 1,222,824 pesos 3 tomines 5 grains.

## Pirates & Privateers: A Fateful Voyage

One by one the ships lumbered into line behind their respective flagships. This now also caused a clash between the Commander of the Tierra Firme Squadron of merchant vessels Registros, Master and Commander Capitán de Mar y Guerra Don Antonio de Echevers y Zubiza, and General Ubilla, as Echevers had been in Havana since 1714 and had by now grown impatient and was threatening to sail to Spain without Ubilla and the protection of his warships.
