## Ethics Rounds

So I know he is capable of such things. Child sexual abuse can involve certain patterns of behaviour; a police officer may be presented with an apparently minor issue which in isolation may not cause concern but which is actually a pattern of abuse. And in any case, being smacked and constantly told off is its own form of abuse and can cause all sorts of symptoms as an adult.

I come from a past of physical abuse but not of the sexual nature. This could be exercise, journalling, putting a punch bag up and giving it a good hit every day to get out those emotions! The criminal law reporting duties require all adults in the jurisdiction to report the specified type of abuse.

## Report Violations

The key principles are set out here: The statement taking stage Particular care should be given when deciding how to take the victim's statement.
