## What Role for Law in the Palestinian Struggle for Liberation?

However, cars were not exactly used as weapons of struggle, as they are today. Without the national organizing structures and representational bodies able to create a political vision and strategy for Palestinian self-determination, international law and human rights can be confused for the political framework itself.

## Top Expert Backgrounder: Russia's SolarWinds Operation and International Law

It cannot be completely spontaneous that black proletarians went to WalMart, looted it, and when the cops arrived, evaded them and went on to form caravans that targeted different shopping districts throughout the city. How can we make this choice explicit to ourselves? Across the street, a gas station is filled with cars of young black people hopping in and out, discussions taking place, and music blaring. Even socialists have stuck their heads in the sand when it comes to the tactical and strategic implications of the uprising.

## Lenin, (Just) Wars of National Liberation, and the Soviet Doctrine on the Use of Force in: Journal of the History of International Law/ Revue d'histoire du droit international Volume 19 Issue 2 (2017)

It should also be noteworthy that no authentic judicial inquiry has ever linked the incidence or any act of terror on IPOB, thus the DSS is hereby challenged to reveal a full-scale evidence on that if at all it has any.

## No, Palestinian “Armed Struggle” Is Not Supported By International Law

These conflicts involve the use of force by nonstate actors and so they challenge the statecentric international law paradigm.

## No, Palestinian “Armed Struggle” Is Not Supported By International Law

Philadelphia: Temple University Press, 1991.

## What Role for Law in the Palestinian Struggle for Liberation?

This history provides valuable lessons for our current moment, especially when it comes to the question of social reproduction. Everyone condemns racism and police brutality, but for all their claims of solidarity with black liberation, most leftists have fallen miserably short when it comes to actually participating in the riots that have swept this country.
