## **The violent visitors raising hell on Catalonia's Costa Brava**

When emergency services arrived they found the victim unconscious on the ground next to a pool of blood. The insecurity in the area, particularly at night stands at odds to the picturesque image that the official tourist board promotes to tourists.

## **British man arrested over father's death on Costa Brava**

One of them has been prohibited by the Spanish police from leaving the EU, as investigations continue. It is said to have happened on a popular tourist beach known as Platja Gran at around 6am. Just fill out the Contact Us form below.

## **British man arrested over father's death on Costa Brava**

As a result twenty five people have been moved to police headquarters under national immigration laws with deportation proceedings being initiated in five cases already. One of the witnesses explained that one of his friends, who was going back home with him that night it was nearly 4am, got into a fight with four Frenchmen from the Maghreb. His parents are Catholic and believe that religion will help them bear the pain of losing a son.

## **Murder on the Costa Brava (Inspector Borges #3) by John Bonett**

Mily Leonard, a 23 year old British model, and Natalie Edwards, also from Britain, have also been detained on suspicion of helping to cover-up the killing. Bisultanov has the status of a refugee in France as do his two accomplices, who returned to Strasbourg.

## **Police decided to prevent troubles at the hands of drunk tourists at Lloret de Mar**

. I'm glad I discovered this author and will be reading more. His boss sends him to Spain, to stay in a new hotel where there are plenty of famous and infamous people.
