Very unique ornaments and themes. You can also enjoy our nautical room where you will find hundreds of Outer Banks Christmas ornaments and souvenirs.

### The Christmas Mouse

We have visited the sister location in Virginia Beach as well so I was happy to see one here when we visited Myrtle Beach. You can not miss the red barn richly decorated with garland, red bows and accent lights. With over 8,000 square feet it is the largest year round Christmas shop on the island.

### Christmas Mouse (North Myrtle Beach)

Management and everything about this place is a joke. .
