Equal Pay Act

Whistleblower Protections A patchwork of federal statutes helps protect who report their employer for violations of the law. My attorney tells me this is likely against my state employment laws. If the decision is made to not allocate equal time in such circumstances, then the Court is required to consider allocating 'substantial and significant' time instead.

Summary Of The Employment Rights Act 1996

An employer who reemploys a person absent from a position of employment for more than 90 days may require that the person provide the employer with the documentation before beginning to treat the person as not having incurred a break in service for pension purposes.

Sundays, time off and suspension An employee has a right to receive paid leave for public duties and responsibilities such as jury service.

What is Employment Law?

The Uniformed Services Employment and Reemployment Rights Act USERRA provides protection for any person whose absence from their job is caused by recall to active duty service in the uniformed services. Prior to this de facto and same-sex couples did not have the same property rights as married couples under the Act, and so had to rely on their state's de facto relationship legislation.
