Is writing with your left hand haram sharif

According to the psychologist Jerome Bruner, there are two ways of looking at the world: logico-scientific on the one hand and narrative on the other hand. One of the reasons is that left-handed writers may be in the minority in a classroom. To this very day I still hold things with my left hand but I do not realize why I am doing it.

Left Handed Cursive Writing

Now I write exclusively as a lefty, and people prefer reading my left-handed script as it is gentler and larger to read than my cramped, tiny right-handed writing.

However, his style is so embedded in the lofty abstraction of the era the 1960s that I'd have to work to get anything substantial out of it. The brain that operates effectively for our everyday activities may not be the same parts of the brain which allows us to be creative.

On Knowing: Essays for the Left Hand

During World War II, Bruner served on the Psychological Warfare Division of the Supreme Headquarters of the Allied Expeditionary Force Europe committee under Eisenhower, researching social psychological phenomena. Reading this thread leaves me to believe perhaps it is the increased blood circulation and balance I am receiving with massage.
