Federal plain language guidelines

As a result, in addition to possible adverse consequences to the informant, there is a strong likelihood that the informant's usefulness in other investigations will be seriously diminished or destroyed. See for a discussion of the requirement for consultation with investigative agencies and victims regarding pleas.

A

Of course, in a case in which a particular characteristic listed in subparagraph 1 is pertinent to the offense for example, in an immigration case the fact that the offender is not a United States national, in a terrorism case the fact that the individual is part of a terrorist organization that uses violence in part for political ends, or in a civil rights case the fact that the victim and the offender are of different races , the provision would not prohibit the prosecutor from considering such a characteristic for the purpose intended by the Congress. Decisions, for example, regarding the specific charges to be brought, or concerning plea dispositions, effectively determine the range of sanctions that may be imposed for criminal conduct.

For example, approvals to drop charges in a particular case might be given because the United States Attorney's office is particularly overburdened, the case would be time-consuming to try, and proceeding to trial would significantly reduce the total number of cases disposed of by the office. No amount of investigative effort warrants commencing a federal prosecution that is not fully justified on other grounds. In weighing those factors, the attorney for the government should bear in mind the interests sought to be protected by the statute defining the offense e.
