USA TODAY

The African-American population, while still only. Sometimes people would gather together to help with a big job such as building a neighbor's barn. Shortly after taking up wheat as his main cash crop, Washington built a large outfitted with two pairs of millstones.

The Year in Hate and Extremism: Far

Growing partisanship within the government also concerned Washington. He established himself as an innovative farmer, who switched from tobacco to wheat as his main cash crop in the 1760's. The formal training Washington received in surveying was complemented by practical experience in the field.

Five dead and millions without power amid 'unprecedented' wintry weather in southern US

Bad Weather The life of a pioneer was heavily dependent upon the weather. Opening a kiosk in Madison Square Park in 2004 after operating out of a hot dog cart for three years, Shake Shack has helped shape the fast-casual movement into what it is today.

Texarkana Gazette

Perhaps it is a combination of these factors. They defeated Washington's army at in August and routed the Americans a few weeks later at, resulting in the loss of the city.

Church History Tells Stories of Extraordinary Pioneer Youth

Wabasha would teach me that, too. Washington assumed the Presidency on the eve of the French Revolution, a time of great international crisis. But the extremist movement he energized may be entering a perilous new phase, as we all saw on Jan.
