The Bronte Family

In 1842 Charlotte and Emily went to to study at the Pensionnat Heger, and in 1843 Charlotte returned there alone as a teacher. John had not much affection for his mother and sisters, and an antipathy to me.

Novels by the Brontë Sisters (7 books)

Games on the moorlands exposed them to the wild winds and fragile beauty of West Yorkshire; inclement weather kept them inside for long periods of time, entertaining each other by making up stories together.

The Best Charlotte Bronte Poems Everyone Should Read

The Brontës were witnesses to the worst of the Industrial Revolution. I really saw in him a tyrant: a murderer.

Bronte Family: The Sisters of Literature

You can clearly see where he painted his own face out of the picture. Not the biggest or most exciting waterfall ever, but it was a favourite haunt of the Bronte sisters Oxenhope The tiny village of Oxenhope has Bronte links too. He was born 17th March 1777 and died on 7th June 1861.
