A Brief History of Dominican Republic

Despite these advancements, the country is still watched over by the National Police and Army, which tend to act in the interests of the politicians holding power although no one in the military can vote.

History of Dominican Republic

Although many Dominican businessmen experienced losses due to these changes, the political violence was eliminated and many improvements in the Dominican Republic's infrastructure and educational system were introduced. Dominican Republic History: Trujillo Comes to Power One of the major changes accomplished by the United States government was the establishment and training of a new army in the Dominican Republic, which had previously been accomplished in neighboring Haiti. The Spaniards were jealous of the Columbus brothers' Italian leadership and therefore began accusing them of mismanagement when reporting back to Spain.

BIODIVERSIDAD

Those who were not killed in the fire were brutally tortured to death. On May 30, 1961, upon returning from a rendezvous with his mistress, Trujillo's personal automobile was ambushed and the dictator was killed in a violent assault. His successor, Francisco de Bobadilla, was appointed chief justice and royal commissioner by the Spanish crown in 1499.

Historia Dominicana

Es un árbol de porte pequeño a mediano, llegando hasta unos 12 metros de alto.
