### NARF's Five Priorities

Dennis was one of 10 recipients of a 2016 Dreamstarter Grant from the national non-profit organization Running Strong for American Indian Youth.

### 21 Native American Organizations You Need to Know

Information about additional organizations is available in our. Matthew Grimes Artist Matthew Grimes, currently based in Virginia, works in both ceramics and mixed media collage.

### Portfolio: Eleven American Indian Artists

Cover image by Emon Toufanian. Thank You for visiting us. She also draws inspiration from historic and contemporary Apache beadwork, quillwork, and burden baskets conically shaped and fringed baskets that traditionally were used by women to carry everyday items like food and firewood.

### Native American Indian Association of Tennessee

A visual learner, Anderson became interested in art as an education tool to communicate her perspectives and experiences to others. This was usually made of three pieces, each a different kind of leather -the sole of the heaviest moosehide, the ankle flaps of thin, soft buckskin, and the inset or tongue of the finest caribou leather, elaborately decorated. The Fund also provides support for tribal college needs ranging from capital support to cultural preservation activities.

### George Catlin Online

Her website keeps things simple with ample text adding context and explanations to her work.

## **Tribal College Blanket Design Competition**

This questioning, reframing and even satirization of identity is essential to her work. One of the most powerful messages in her art has to do with the complex relationship between U.

## **NARF's Five Priorities**

It is a highly regarded source for informative Native American and Pacific Islander educational and home videos. For Plains peoples preparedness in the afterlife, many moccasins worn into burial were fully beaded even on the bottom of the soles. This can be seen in her work, which often features natural and organic elements, like fur and shells, as well as familiar iconography portrayed in unconventional media.
