Two Tales Congo

He soon found he was particularly good with wood, and very soon he was able to make some chairs, which he took to the market to sell. They kept him, looked after him, loved him and fed him; and he grew up strong and healthy, even though he was unable to do anything for himself or for anyone else, and depended entirely on the charity of his family. He dragged that coffin, a very poor one, out of the water.

New Book: Magical Photos Depict Traditional Fables From Republic of Congo : Goats and Soda : NPR

His mother had loved him dearly, and helped him in his life after her death; but she could not face him marrying, because she thought that another woman would mistreat her son.
