She left behind all her clothing, her dog, and her bank account was untouched.

## Bill Crider's Pop Culture Magazine: Forgotten Books: THE CASE OF THE DANCING SANDWICHES

It's his magnum opus and the culmination of all of his abilities as a writer, but it was overlooked by the general public. We don't know too much of the person behind the writer, and this is especially true about Brown's youth.

### **Who was Emmett Till?**

In 1962, a woman working at a textile mill in the southern United States suddenly developed a rash and fever, claiming to have been bitten by a June bug. It has been reprinted many times, mostly in paperback, and is easy to find, but first editions are extremely scarce, in the US as well as in the UK, where Boardman published it as a paperback first edition.
