## THE WORKERS' COUNCILS

The historical change of period deeply modified the tactics of the West European proletariat.

## THE WORKERS' COUNCILS

There are two «test periods» for bolshevik tactics, 1905-1907 and 1917-1920, separated by a waiting time incidentally, we must remember, for our own use, that today we're living a far longer waiting time.

## The Schwarz Report

For this reason in particular he mistrusted the faith in a small party which was to radicalize the masses. They are created only by prolonged effort and hard-won experience. The crucial question of the driving of the new society is absent: no more money unit? He convinced them to argue for their party, by then renamed the , to join the.

## The infantile sickness of in communism [WorldCat Entities]

Lenin was not God — he could not change the laws of social development.
