This language was most commonly communicated through Tussie-Mussies, an art which has a following today. Dining tables were no longer simply set with knife, fork, and spoon. In earlier times before sanitation and concerns with personal hygiene, the nosegays were carried to superstitiously ward off disease or to camouflage the unpleasant smells of the street.

Tussie Mussie for sale in UK

Books: , by Seymour B. They are great little travelers, arriving across the country the next morning in perfect condition, ready to proclaim best wishes.

What is a Tussie

It simply means that you can convey feelings and communicate using particular types of plants.

Reproductions, Fakes and Look

The flowers say them for us.
