Goodbye Dolly Gray: The Story of the Boer War

It's easy history, written with narrative flair and, in places, a degree of passion.

Book Review: Goodbye Dolly Gray

WWI is often referred to as the Great War, and it can be seen as a stand-alone event or as a prequel to WWII. Customer service is our top priority!.

Book Review: Goodbye Dolly Gray

Taking his title from that bade farewell to an era, Rayner Kruger brilliantly describes the background, the arms and armies, the campaigns and personalities of the war in which soldiers from across the British Empire marched to a succession of brave defeats at hands of sharpshooting farmers. TRACK 1: Good-bye, Dolly Gray. Rayne Kruger's classic account places the Boer War squarely in its social and political settings.
