**Amy Pond**

**Christian Books, Bibles, Gifts & more.**

When you love someone you will do almost anything. She marries him but secretly hopes he'll soon return them to the city and join her father's practice. She also disappeared halfway through the book as well, so her character was not needed either.

**They Called Her Mrs. Doc (Women of the West, #5) by Janette Oke**

That's what I love about her so much. I have almost read all of them.

**They called her Mrs. Doc : Oke, Janette, 1935**

I felt like the story dragged thru their lives, country doctor and young wife, raising children, children growing up, children marry and move away.
