8.6: Grounding Theories of Mass Communication

Such trust encourages the media to be responsible for the information it publishes.

Functions of Mass Communication

Schramm argued that we make media choices by determining how gratified we will be from consuming a particular media.

What is a theory of mass communication?

Theory says the state have absolute power to control any media for the benefits of people.

List of Mass Communication Theories

In this case, expanding helps us get more information than we would otherwise so we can be better informed.

List of 10 Strengths and Weaknesses of Mass Communication

Thus, the relationship to media becomes much more complex.

Mass Communication Summary

When the most outrageous or fantastic stories are presented we are witnessing the sensationalization function of media. The limited capacity of functionalism to be used only in policy research, evaluation and planning has been criticized by many theorists. Another key characteristic of mass communication in relation to other forms of communication is its lack of sensory richness.
