LEGO IDEAS

Edward III added other types of animals, two lions, a leopard and two wildcats.

Tower of London

The eastern extension took the castle beyond the bounds of the old Roman settlement, marked by the city wall which had been incorporated into the castle's defences. So when the gatehouse collapsed in 1240, the locals celebrated the setback. During this period, the Tower of London held many noble prisoners of war.

Her Majesty's Royal Palace and Fortress

To ensure closures don't affect your visit, check in advance of your trip. There are many interesting places and things that can be seen from the Tower of London. However, the Tower is still home to the ceremonial regimental headquarters of the , and the museum dedicated to it and its predecessor, the.

LEGO IDEAS

The building is nice, but it definitely needs an update. Pigs, cats and a vast amount of wild ravens flocked the city.

The Ravens of the Tower of London: Guardians of the Crown & Her Majesty's Royal Palace

Consequently, even though the animals had long since left the building, the tower was not demolished until the death of Copps, the last keeper, in 1853. For the coronation of Charles II, gems were rented because the treasury could not afford to replace them.

Her Majesty's TOWER OF LONDON England Souvenir Travel Picture Guide Book 1973

In the centre is Legge's Mount. It is the oldest military ceremony in the world! The Trained Bands had switched sides, and now supported Parliament; together with the London citizenry, they blockaded the Tower.
