The overall decline of support for the matha reflects the turning away of the urban Bhanaps to new concerns and enterprises. Then the It is often assumed that the caste system in South Asia has faded away.

## Caste in Contemporary India: Beyond Organic Solidarity.

The subsequent growth and elaboration of the matha and the caste temples during the 19th century reveal the constructive potencies of orthodoxy during a period of Indian history when most historians have concentrated upon a few widely visible critics and reformers of a modern persuasion. Shows some signs of wear, and may have some markings on the inside. He also explains the concept of purer brahmanical standards wit the reference to sea-voyage.

But it is unexpected that the growth of the colony in Bombay would be as much the product of economic and educational failure as of success.

## Caste in Contemporary India: Beyond Organic Solidarity.

In this brief, cogent, and clear presentation, caste is first considered as a system of descent-groups.
