Zambia Overview

The movement of Litunga to higher land is celebrated at the It is hypothesised by that the presence of early and attempts to control resources in various parts of caused the gradual of the people in the region. In 1480 the was founded by the Kalonga paramount chief of the Maravi from the Phiri clan one of the main clans with the others being Banda, Mwale and Nkhoma. The gist of the written heads of argument on ground one, relating to locus standi of the Petitioner, was that Article 28 1 a of the Constitution as couched was in clear terms that a person must demonstrate that he or she has been or is likely to be directly affected by the right alleged to be infringed or violated under Articles 11 to 23 of the Constitution; and that in the present case, the right being alleged is the right not to be discriminated against under Article 23 of the Constitution.

History of Zambia

As a result, local farmers were forced to become low paid workers in the Copperbelt in Zambia and in the mines in South Africa.

An Introductory History of Zambia

. However, so much land was set aside for whites that the Africans were left short. However, the Kariba hydroelectric station on the Zambezi River provided sufficient capacity to satisfy the country's requirements for electricity.

Zambia Economy, Politics and GDP Growth Summary

The Petitioner cross-appealed against part of the Ruling where the court decided that the relief of an injunction is not available against the President and the State even when one moves the court according to and seeks the remedies pursuant to the provisions of Article 28 1 of the Constitution. Conflicts with Rhodesia resulted in the closing of Zambia's borders with that country and severe problems with international transport and power supply. The area which the Luba Kingdom occupied has been inhabited by early farmers and iron-workers since the 300's AD.

Zambia

Zambia's strong support for the ANC, which had its external headquarters in Lusaka, created security problems as South Africa raided ANC targets in Zambia. According to Lunda genesis myths, a Luba hunter named son of introduced the Luba model of statecraft to the Lunda sometime

around 1600 when he married a local Lunda princess named Lueji and was granted control of her kingdom.

Zambia

Coal seams occur in Karoo rocks to the north of Lake Kariba. Firstly, that the trial Judge overlooked the doctrine of Supremacy of the Constitution contained in Article 13 of the Constitution which provides that the Constitution is the Supreme law of Zambia and if any law is inconsistent with the Constitution that other law shall, to the extent of the inconsistency, be void.
