Ar reikėjo 1940m. žemės reformos Lietuvos valstybei?

Lots of anecdotes, lots of detail that would not be included in a more carefully crafted, typical autobiography. It was a one way trip with no reasonable hope of survival.

LEMIAMAS TYRIMAS

It was almost 50 years later after a successful career and life in Berlin that Marie finally told her story while her son tape recorded.

Mečislavas Gedvilas

She initially escaped arrest from the Gestapo, and was able to survive terrifying events, thwart starvation, and to trust numerous people to protect her and not denounce her. By the end of 1940 its most successful pilots were Oblt. One really gets no sense of the war going on nor the danger; it is rather a tale of how Marie thought she was better than everyone else.

IÅ;likti gyvai. Berlynas, 1940

All around her friends and family were being rounded up and deported to concentration camps and she was determined to avoid that fate. Her story is unique in that she had This is a story of a remarkable woman who, with the help of friends, went underground in Berlin during WWII 1942 - 1945. It was difficult to make the connection of whom she was talking about.
