He was in a fix and did not know what to do.

History of The Unification of Germany

Napoleon demanded as assurance from the King of Prussia that he would never in future allow the renewal of the candidature of Leopold.

Unification of Germany

In 1863, a new king came on the throne of Denmark and he published a new constitution which organically incorporated Schleswig with Denmark and bound Holstein with closer ties. Initially, the Danes attempted to defend their country using an ancient earthen wall known as the , but this proved futile.
